
Blue Springs South Jaguar Football Booster Club

Player Obligation Fee

\$260 All Players

Dear Jaguar Football Parents and Players,

As we begin getting ready for another season of Jaguar Football, it is time to rollout the player obligation. The obligation will cover the cost of all football camps held over the summer, the purchasing of equipment including new helmets, special weight training and development, HUDL, game day food, main booster club membership and postseason transportation. Each obligation payment includes one entry ticket to the Football Booster Club Gridiron Gala Fundraiser that will be held August 4th, 2018; more details coming soon, but make sure to save the date. It's a great time!

All obligation or fundraising activity must be completed by **May 25th, 2018**.

Every player must have the [Player Information Form](#) and one of the following options completed before football equipment will be issued.

Payment of obligations does not ensure playing time but is required to receive equipment.

If at some point your player decides not to play, the refund structure works like this:

June 1st-30th = 50% refund. July 1st-31st 25% refund. NO refunds after August 1st 2018.

There is a per player obligation of:

\$260.00 for All Players

Obligation Fee includes a membership to our Main Booster Club at Blue Springs South. As a Senior, a 4 year member is eligible for a book scholarship.

4 PAYMENT OPTIONS

- **Option 1: NEW!** Full or Partial Payments* by Check*, Money Order/Cashiers Check. Yes! we've added the option of making payments if you need to. We are only accepting payments with Option 1. Mail the payment, **don't forget to include your players name and grade**, to:
